The screenshot shows the login interface for 3Dmapping cloud. At the top is the logo. Below it is a blue banner with the text 'SIGN IN'. Underneath are two input fields: 'Email' with the value 'cirb@orbitgis.com' and 'Password' with masked characters. A blue 'LOG IN' button is positioned below the password field, and a 'Remember Me' checkbox is at the bottom.

BIKE BOX ? CIRB ?

The image is a screenshot of the CYCLO PARKING website. The top navigation bar is yellow and contains the logo on the left, followed by links for "MON COMPTE", "VOIR LES PARKINGS", "FAQ", and "CONTACT". On the right side of the bar, there is a language selector set to "FR". The main content area is split into two parts. On the left is a photograph of a blue metal bike box with a bicycle parked inside. On the right is a map of Brussels, Belgium, overlaid with numerous blue circular markers, each containing a white number representing the number of available parking spots at that location. An orange button in the top right corner of the map area says "DEMANDER UNE PLACE". The map also shows various landmarks and street names in Brussels.
